Re: Granite Broadcasting Corporation
KNTV(TV), San Jose, CA

OFFICE OF CHIEF

DEC 15 8 31 AM '92

MASS MEDIA BUREAU

Dear Bill:

In preparation for the scheduled meeting with Granite Broadcasting Corporation ("Granite") in your offices tomorrow at 10:00 a.m., enclosed is brief description summarizing Station KNTV's unique situation under the new mandatory carriage provisions of the Cable Television Consumer Protection and Competition Act of 1992 ("Act"). As we have previously mentioned, the Act's reliance on Arbitron's applicable Area of Dominant Influence ("ADI") as a station's "television market" for purposes of defining "local" signals raises the question of whether the Station will have must carry rights in Santa Clara County, where KNTV is licensed.

We look forward to our meeting with you tomorrow. Please do not hesitate to contact us if you have any questions in advance of the meeting.

Sincerely,

Tom W. Davidson
